

POSITION VACANT

# LEAD PASTOR

## TORONTO BAPTIST CHURCH

Toronto Baptist Church is seeking a Lead Pastor who is a passionate, mature evangelical Christian with experience as a Senior/Lead Pastor or several years in pastoral leadership.

The pastor will join with us to fulfil our mission of “presenting the message of Jesus to see lives transformed; building up God’s people to serve and connecting with our community, nation and world for Jesus”.

Toronto is on the western shore of beautiful Lake Macquarie, about 30km south west of Newcastle and within easy reach of Sydney. It is one of 10 significant population centres in the City of Lake Macquarie, and is a growing vibrant community with a wide demographic mix. Our church family is diverse, supportive and generous and has been serving God in the Toronto community for nearly 60 years.

We are seeking an applicant who can: provide leadership and work collaboratively to turn the vision and mission of TBC into a sustainable and ongoing reality; demonstrate a biblically based preaching and teaching ministry; work together with the Family Ministries Pastor to shape the pastoral care ministry of the church; and continue the passion for local, national and global mission.
